- ¹⁵ Napomena u vezi s glavom domaćinstva. Pol glave domaćinstva određuje pol drugih osoba koje žive s njom. Muško domaćinstvo često uključuje odrasle žene. S druge strane, žensko domaćinstvo je gotovo uvek domaćinstvo bez odraslog muškarca – pri čemu je njegovo odsustvo odlučujuće. Domaćinstva po automatizmu nisu ženska.
